**PETITIONING THE COURT**

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 9/28/2022 and 11/23/2022.

On January 21, 2022, supervised release conditions were reviewed and signed by Ms. Cerrillo, acknowledging her understanding of her conditions and requirements.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

11	<b>Special Condition #15:</b> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Ms. Cerrillo is alleged to have violated her supervised release conditions by consuming a controlled substance, methamphetamine, on November 25, 2022.

On November 30, 2022, Ms. Cerrillo, with the help of the Federal Defenders office, made arrangements to self-surrender to the custody of the United States Marshals Service (USMS) on December 1, 2022. On this same date, Ms. Cerrillo agreed to submit to a urinalysis (UA) prior to her Court proceedings.

On December 1, 2022, prior to Ms. Cerrillo's court proceedings and while in the custody of the USMS, Ms. Cerrillo submitted to a UA. The sample returned presumptive positive for methamphetamine. She initially denied the use of the controlled substance. In the presence

The sample was sent to Alere Toxicology Services, Incorporated for confirmation. As of the writing of this report, results have not been received.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
